Objective

I am a Electronic and Communication Engineering student with a keen interest in Information Technology.My passion for IT drives me to explore areas such as Software Development,Cloud Computing and Web Designing.I have hands-on experience in programming languages like java and python.

Education

B.E Electronics and Communication Engineering	**(2022 - 2026)**
Karpagam Institute of Technology, Coimbatore.	CGPA 7.02
Higher Secondary	**(2022)**
Holy Cross Matriculation Higher Secondary School, Salem.	Percentage -82.6%
SSLC	**(2020)**
Holy Cross Matriculation Higher Secondary School, Salem.	Percentage -94.6%

Projects And Experience

- **Swiggy-like Website with User Authentication:**

  Developed a full-stack website replicating the Swiggy platform, integrating features such as a dynamic menu, order management system, and a secure user login system with validation.

- **Eye Directive Wheel Chair:**

  I am currently working on an Eye-Directive Wheelchair**, a smart mobility solution that uses advanced** eye-tracking technology **for hands-free navigation. The system integrates** AI, OpenCV, and wireless communication **to enable individuals with limited mobility to control the wheelchair effortlessly through eye movements.**

Appreciations:

1. (WON 1st PRIZE ON)Cynosure 2k25 -National Level Sympoxium on WEB DESIGNING organized by the Department of computer scienee and Engincering. KGisL, Institute of Technology.
2. AWS Academy Graduate-AWS Academy Cloud Foundations.
3. Participated on PAPER PRESENTATION on KGisL, Institute of Technology.
4. Web Design for Beginners: Build Websites in HTML &CSS(Udemy).
5. Gained hands-on experience with various CSS properties for styling and layout management on the GreatLearning platform.
6. Certification of completion on AWS Cloud Practioner Essentials.

Workshop

- PCB Design and Prototyping at New technology Mobile &Labtop Service institution on 4th &5th on dec 2023 .
- Smart phone trouble Shooting at New technology Mobile &Labtop Service institution on 30th &31th on may 2024.

Technical Skills

- Java programing.
- Python(Intermediate)
- Web Designing(Front End)

Soft Skills

- Problem Solving
- Critical Thinking
- Communication Skills on English(Intermediate)
